

# SOUTH LAWN

Country House Hotel

## A must for Allo Allo fans!

Listen very carefully, I shall say this only once.....

Pop along to this 'umble cafe for a meal to remember as Rene juggles the Gestapo, the Resistance, his secret affairs and his wife, Edith. Oh, and keeping a watchful eye over events is a British agent disguised as a policeman who hasn't quite grasped the French language!

**Book now** or you will be shot!
