Making the most of Christmas 2020

Thank you to all of you for supporting us through what has been a pretty miserable year.

We wish you a very Merry Christmas
and a much better 2021

With Best Wishes

Tim, Nikki and the Team at South Lawn

Covid Restrictions

This brochure was written much later in the year than usual and it considers Government advice and covid19 restrictions as of Thursday 1st October. South Lawn is a Covid Considerate Venue and is recognised as "Good to Go" by Visit England.

Here are a few things that we do to keep you safe

Tables are all 1m plus spaced, our team wear face coverings and our venue is fogged regularly with a virucidal disinfectant. We prepare everything for your table in a covid secure manner.

Here's some current rules to be observed by you

Wash/Sanitise hands on arrival and regularly. Facemasks are to be worn when not at your table. Always social distance where possible.

Log in on the NHS Track & Trace App or sign in. You must not allow yourself to form or become part of a group of 6 or more and in particular you must not intermingle with other tables.

You need to take your seats on arrival for pre drinks. Please be kind and understanding to our team who's job is made more difficult with the use of facemasks. There is always a smile under our masks. We only wish you could see it.

Importantly

Things can and do change, so please bear with us as further developments happen. We will adapt and overcome as we have indeed done all through 2020

Private Parties

Its been a pretty horrid year and it is with much regret that we have been required to cancel all our private functions and weddings. However, we are pleased to inform you that we will be using our Cornwallis Suite for public dining allowing us to provide plenty of space.

You will be advised where your table will be in advance to ensure you arrive at the correct entrance.
